Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE LITTLE RED HANDBOOK OF PUBLIC SPEAKING AND PRESENTING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. Yes! The number one fear that most people share is making a presentation; speaking in front of a group of other people: colleagues, strangers, it doesn't seem to matter - it's scary. Having to make a speech or presenting in front of a group can be nerve wracking, no matter how small or familiar the group may be. Lose the fear, get out there and speak. In virtually every case, a person's fear of public speaking is unjustified. If you are making your first speech or presentation or if you need to make your presentations or speeches, more engaging, more powerful, more structured, more interesting, more persuasive and more concise whilst at the same time need to make it less fearful for you, then this book will help deliver everything you need. It will give you the skills, knowledge and tools to plan, design and deliver effective memorable presentations and speeches. It will enable you to make fearless presentations and speeches in the future and have the confidence of knowing that you have the audience on your side. Become a great presenter and excel at public speaking, this book will show you what you need to know. We all have the power to deliver memorable presentations and speeches. With a little work, you too can find the power.
